BEST AFRICA AND MIDDLE EAST

## Singita Explore

WEDNESDAY 09 JAN 2019

You love the idea of being out in the wild. The stars overhead, the wind in your hair, while you bed down with nothing but a sheet of canvas between you and that pride of lions you saw earlier. But you also love a soft bed. You love a hot shower. You love fantastic food and a decent wine cellar and delightful staff and guides who knock points off the competition.

Say hello to Explore, Singita's newest and most fabulous setup in the Grumeti Game Reserve. This exclusive-use camp is adventure like you've never adventured. Six enormous canvas tents, decked out in utilitarian-chic gorgeousness, with private copper-accented bathrooms and hot bucket showers when you need them.

Spend the days bouncing through this pristine reserve catching sight of the Big Five, then sip a glass of cabernet round the fire pit, eat a five-course supper under a wide-topped acacia tree strung with lanterns and sleep like a log while Africa's greatest show gears up to do it all again the next day.
